State Advocacy Network**

Maine Gun Safety Update: Public Hearings & Action Day Scheduled

The MUUSAN Gun Safety Action Team has chosen to prioritize the two bills listed below. Both bills have public hearings next week, and we need **additional voices of faith to testify!**

LD 2086 [An Act to Amend the Law Governing the Disposition of Forfeited Firearms](#). Public hearing **Tuesday March 5th** in Judiciary Committee at 11:30 Room 438

LD 2238 [An Act to Address Gun Violence in Maine by Requiring a Waiting Period for Certain Firearm Purchases](#). Public Hearing **Thursday March 7th** in Judiciary Committee at 11:30 Room 438

In addition, the Maine Gun Safety Coalition and partners are asking for us to **show up on Thursday, March 7** as a show of support for gun safety. It is vital that we have a large, passionate crowd on the 7th who can continue to convey to legislators the urgency of passing strong gun safety legislation this year.

If you have never submitted testimony before, the Maine Gun Safety Coalition is offering a **special online training Monday, March 4, at 5 pm**, to help prepare people to testify for these gun safety and mental health bills. The training will start with information on how to testify for those who have never done it before. Then they will provide information about the individual bills and give you the opportunity to ask questions that you have about the various bills. **Register for the MGSC training [HERE](#)**.

An additional important hearing:

LD 2237 [An Act to Strengthen Public Safety, Health and Well-being by Expanding Services and Coordinating Violence Prevention Resources](#). Public Hearing on **Monday, March 4 at 10 am** Room 126
