

Maine Unitarian Universalist State Advocacy Network

500 Volunteers Urgently Needed for Election Day Signature Gathering!

We need YOU to help qualify the [Safe Schools, Safe Communities](#) initiative for the ballot to reduce gun violence in Maine! Together, we can help Maine enact a true Extreme Risk Protection Order (ERPO) law to help keep our kids, families, and communities safe from gun violence.

Under a true ERPO law, family members and law enforcement are able to directly petition a court to temporarily restrict someone's access to firearms when they pose a danger to themselves or others.

We must do everything we can to make our schools and communities safe. But that means we need to collect 75,000 signatures on Election Day, Nov. 5, and we need your help.

Gathering signatures inside the polls is the easiest signature gathering possible with thousands of registered and engaged voters at each polling place, ready to sign.

[Safe Schools, Safe Communities](#) will give you all the training and materials you need for a productive and rewarding experience.
