**Take Action to Support LD 2007 – a bill to restore
inherent tribal sovereignty to the Wabanaki
Nations.**

A public hearing is scheduled for Monday, February 26,
before the Judiciary Committee.

This is the third attempt to pass legislation to amend the Maine Indian
Claims Settlement Act from 1980.

Let's finally get this passed.

As members of MUUSAN we made a commitment to be allies to the
Wabanaki Nations. Make your voice known and submit written
testimony in support of LD 2007 by Sunday evening. It takes only
minutes and can have a huge impact.

All you need to know is in this Wabanaki Alliance Toolkit:
[LD 2007 Take Action Toolkit](#)

Passing this bill will help the Wabanaki tribes access federal
opportunities to expand environmental protections, increase access to
health care, respond to natural disasters, foster job creation and
economic development, protect safe drinking water, and much more.

Take the pledge to submit written testimony by clicking [HERE](#).
