__ChIME (Chaplaincy Institute of Maine). ChIME educates and ordains interfaith leaders who serve with integrity, spiritual presence, and prophetic voice.

May you be thankful for being the wonderful creation that you are.

May you be proud to be the person you have been, are now, and who you are becoming.

May you be the best person you can be.

May you be good to those less fortunate than you.

May you know that you represent a greater truth and that by being strong and being the person you are the world is a better place.

May you know that the Creator-of-Us-All loves you more than you can ever imagine.

May you be at peace, always.
